

PARK AMENITIES

Centennial Center Park provides a variety of features and amenities for the community's use.

Designed for year-round family-friendly enjoyment, Centennial Center Park includes a large, covered shelter with gas fireplace and a smaller, more intimate coffee shelter for smaller gatherings.

Children of all ages will find hours of fun on one of three climbing walls, two expansive, age-appropriate play areas and the Nautilus water play area in the center of the Park.

Ideally situated on a slight bluff adjacent to Centennial Civic Center, Centennial Center Park also features "butte" and "meadow" nature areas, three decorative water fountains and a two-story covered shelter to overlook the plaza or enjoy a spectacular Centennial sunset.

Centennial Center Park is equipped with everything for your family or company outing. The outdoor amphitheater features a covered stage and is the ideal spot for concerts, events and meetings with a capacity of approximately 5,000.

The Park features restrooms, picnic tables, six barbecue grills, convenient trash receptacles, parking and bike racks. Electrical power is also available in the plaza and amphitheater.

Many materials used in the construction of the Park were found locally. The surface of the playground consists of 'poured in place rubber surfacing,' made of recycled materials that provide a safe, clean, ADA accessible and attractive environment for children.

FUNDING FOR THE PARK

Land Acquisition in 2008: \$2,635,380

Funding Sources

Great Outdoors Colorado Grant, in 2009: \$198,750

Great Outdoors Colorado Grant, in 2010: \$600,000

Arapahoe County Grant: \$250,000

Centennial Conservation Trust Fund: \$3,500,000

Centennial Open Space Funds: \$1,280,000

The City of Centennial's park, open space, trails and recreation program is funded by a ¼ cent Arapahoe County sales tax, of which a portion is shared back to the City each year. This program started in 2003 and was reauthorized in 2011 through 2023.

The City receives an annual allocation of Colorado Conservation Trust Funds from the Colorado Lottery and is eligible for grants from Arapahoe County and Great Outdoors Colorado.

Centennial Center Park

CENTENNIALCO.GOV/CENTERPARK | GENERAL INFORMATION

GENERAL INFORMATION

The 11-acre Centennial Center Park is located on the north side of Arapahoe Rd., between S. Revere Parkway and S. Vaughn Way, adjacent to the Centennial Civic Center.

The Park's unique design is intended to signify the passage of time. The Nautilus water playground is central to the design theme in the Park— illustrated by arches, spirals and circles integrated into the many unique accents.

The Park features various historical and educational elements as well. The main plaza showcases the historical timeline of the Cherry Creek Basin, including fun facts and a map of the Cherry Creek Watershed.

The amphitheater is designed to represent four periods of history: Lithic, Archaic, Formative, and Classic.

Not just a place to play, but also a place to learn, Centennial Center Park is a treasure-trove of history and trivia.

The “Colorado Statehood Walk” displays interesting facts about Colorado, while the “Viewfinder Walk” is an interactive trivia challenge that takes visitors on a quest throughout the park— highlighting unique points of interests both inside and outside of the Park.
